

Lift Directive Conformity to type with random checking

This is to certify that:

Atwell Limited
Ball Mill Top Business Park
Hallow
WR2 6PD
United Kingdom

Holds Certificate Number:

CE 779074

In respect of:

Certificate of Conformity to type with random checking – Safety Components.

On the basis of our examination under the requirements of the Directive 2014/33/EU Annex IX of the European Parliament and Council relating to Lifts and Safety Components of Lifts as recorded in the BSI Report. Any modification to the design of this product will invalidate this EU certificate and the Notified Body, number 2797, must be informed without delay.

For and on behalf of BSI, a Notified
Body for the above Directive
(Notified Body Number 2797):

Lift Directive Conformity to type with random checking

No. CE 779074

This Certificate of Conformity to type with random checking is the part of the conformity assessment procedure whereby a notified body carries out checks on safety components for lifts to ensure that they are in conformity with the approved type as described in the EU type examination certificate and satisfy the applicable requirements of Annex 1 of Lifts Directive 2014/33/EU and will enable a lift in which they are correctly incorporated to satisfy those requirements.

The following list of safety components are covered at the site as detailed on page one of this certificate and additional manufacturing sites as detailed below as part of the conformity assessment procedure:

No.	Certificate No.	Safety Component Model	Manufacturing Site(s) (See Note (1))
